

ABC OFFERS FLEXIBLE OSHA TRAINING OPPORTUNITIES!

You can now take 30-HR OSHA and many more classes **ONLINE!**

Visit www.clicksafety.com/abc and choose the "Greater Houston" Chapter to sign up for any of the classes offered! This is a great, EASY way to train your employees on your schedule!

30-hour OSHA is especially designed for the construction worker, foremen, job supervisor, superintendent, or inspector. Students will learn to recognize safety hazards, differentiate between good and bad safety decisions and prevent safety-related incidents in daily work through 29 lessons.
