

UPGRADE TRAINING

Having trouble passing the NCCER assessment?

Construction & Maintenance Education Foundation (CMEF)

offers weekly upgrade training classes to any individual who takes an NCCER Craft Skill Assessment and scores within 20 points of the Cut Score. Approximately 9 out of 10 students pass assessments after completing upgrade training!

Upgrade Training Schedule

Thursdays: Pipefitting

All classes run from 6:00-9:00pm, and are located at the CMEF office, 2950 East X Street, Deer Park, TX, 77571

Contact CMEF at **(281) 478-3900** to see if you are eligible to attend these classes for free, or for more information on how you can attend. Visit www.abchouston.org and click the “CMEF Craft Training” link to download a registration form.
