THE MERIT SHOP PHILOSOPHY

Associated Builders and Contractors is founded on the belief in the Merit Shop Philosophy. Our members are united in their commitment to the ideals of free enterprise. By equally representing prime contractors, specialty contractors, suppliers and industry associates, ABC is truly the voice of the industry.

Merit shop employers are not opposed to organized labor. They believe in their right to do business with whomever they choose - union or open shop.

ABC contractors believe strongly in their right to manage their companies and job sites free of coercion and artificial restraints. They believe workers should be hired and paid on the basis of individual merit.
